

GLOBAL FLEET OPERATING AREAS

Coastlines: Natural Earth (public domain), equirectangular projection. Long dashes = combatant-command AOR boundaries (UCP, from source GeoJSON); short-dash ellipses = approximate fleet operating areas. • = fleet headquarters. 10th Fleet (cyber) has no geographic AOR.

NUMBERED FLEETS				
FLEET	REGION	HQ	PARENT COMMAND	AREA OF RESPONSIBILITY
2nd Fleet	N. Atlantic	Norfolk, VA	U.S. Fleet Forces Command	Atlantic Ocean & Arctic approaches
3rd Fleet	E./Cent. Pacific	San Diego, CA	U.S. Pacific Fleet	Eastern & central Pacific, eastern Pacific approaches
4th Fleet	Caribbean / S. Atl.	Mayport, FL	U.S. Naval Forces Southern Command	Caribbean, Central & South America
5th Fleet	Middle East	Manama, Bahrain	U.S. Naval Forces Central Command	Persian Gulf, Red Sea, Arabian Sea, Gulf of Oman
6th Fleet	Europe / Africa	Naples, Italy	U.S. Naval Forces Europe-Africa	Mediterranean & waters around Europe & Africa
7th Fleet	W. Pacific / Indian	Yokosuka, Japan	U.S. Pacific Fleet	Western Pacific & Indian Ocean (largest forward fleet)
10th Fleet	Cyberspace	Fort Meade, MD	U.S. Fleet Cyber Command	Navy cyberspace, networks, cryptologic & space ops (no geographic AOR)

NOTES	
Numbered vs. named	A 'numbered fleet' is the operational force; it falls under a named fleet/component (Pacific Fleet, Fleet Forces, NAVEUR, NAVCENT).
Pacific Fleet	Provides 3rd and 7th Fleets.
Fleet Forces Command	Provides 2nd Fleet (re-established 2018).
Component link	5th = NAVCENT (CENTCOM), 6th = NAVEUR-NAVAF (EUCOM/AFRICOM), 4th = NAVSOUTH (SOUTHCOM).
1st Fleet	Historical — disestablished 1973 (its role folded into 3rd Fleet); periodically proposed for re-establishment.
10th Fleet	Functional, not geographic — Fleet Cyber Command.
